Frederick I., BARBOSSA (~~Ken~~ 1152)

Died at MERSEBURG. (1190)

Frederick Barbarossa was crowned successor to Conrad III in Aix-la-Chapelle; ushered in era of Hohenstaufen imperial expansion and rivalry with popes.

Frederick gained homage of Burgundy by marriage (1156); of Poland by war (1157). He conquered Sicily in 1158. Entered Rome in 1167 and enthroned Antipope

Parish III, but was forced to return
to Germany after his army was
destroyed by the plague.
